Dear Dave,

Following up on our conversation at The Homestead, I wanted to let you know that we would be very pleased if you could take the time to come out and talk with some of our analysts when you are in Washington in the near future. They would be very much interested in your observations, particularly with respect to some of the industrial facilities you visited. I'd be most grateful if you could take the time to visit with us.

It was good to see you at the Business Council, and I hope we can get together again before long.

Yours,
